

# Seamless Integration

## How to Choose the Right Smart Meter

### Which Smart Meter Do I Need?

To select the most suitable smart meter for your EcoFlow PowerOcean system, use our comprehensive flowchart to find the perfect model. Answer the following questions to narrow your options and discover the meter that best fits your needs.

### Three Special Scenarios to Enhance Your Experience

1. For built-in smart meter selection, we recommend choosing the EFA-ADL400-CT first.
2. For UK users, opt for a 120A electric meter.

Elevate your energy management with tailored solutions from us.
